WARRANTY
UNIVERSAL LENGTHS

Regular Cab = 51” (1.3m)
Extended Cab = 73” (1.85m)
Crew Cab = 86” (2.2m)

- Lightweight aluminum powder coated frame.
- Slip resistant rubber grommets line the 6” wide step area.
- 3 distinct styling options:
  - Black / Black
  - Stainless Steel / Black
  - Black / Chrome
- 3 board lengths cover most full size trucks.
- No drill installation with custom fit brackets.
- NRT™ powder coated steel braces Sold Separately.
• Lightweight aluminum powder coated frame.
• Full-length aluminum protective accent trim.
• Slip resistant rubber grommets line the 5” step area for superior traction.
• 3 distinct styling options: (standard lengths)
  - Black / Black       #DZ16201
  - Stainless Steel / Black       #DZ16203
  - Black / Chrome       #DZ16202
• No drill installation on most applications with custom fit brackets
• 2 board lengths cover all listed makes and models.
• NRT™ powder coated steel braces Sold Separately.

UNIVERSAL LENGTHS
Standard = 71.5” (1.82m)
Compact = 65.5” (1.66m)

• Aluminum or Steel construction protected by NRT™ powder coating.
• No drill bracing installs easily.
  Sold Separately
• Unique stepping area offers ultimate traction, virtually eliminating slips.

Brite-Tread Running Boards
• The classic style that started it all for Dee Zee.
• Non-rusting Brite-Tread aluminum construction with front mud flap.
• Custom-fit applications for quick and easy installation.
• Brackets are coated to help prevent rust and wear.
**FX Black Running Boards**

- Lightweight, extruded aluminum construction.
- Available in multiple finishes:
  - Textured Black (Late Model Apps Only)
  - Buffed (Discontinued; limited stock remaining)
  - Gloss Black (Not available on late models)
- Step pad and ribbed edge provides secure footing.
- Updated, integrated mud flap design provides protection from debris.

**6” Oval Side Step**

- Constructed from tough, 16-gauge steel or Brite-Tread aluminum.
- 3 cab lengths available to fit most full size trucks.
- Available in polished stainless steel, Brite-Tread aluminum, or with a texture black powder coat finish.
- No drill installation with custom-fit braces. Sold Separately

---

*see app guide for exact finishes available for your vehicle*
Polished Stainless Steel                                Gloss Black Steel

• Constructed from tough, 14-gauge 304 stainless steel material or 14-gauge mild steel.
• Available in polished stainless steel or gloss black powder coated finishes.
• No drill, custom fit bracing tucks under the vehicle to create a sleek look.
• Molded plastic step pads ensure secure footing on the wide 4” step area.

4” Oval Nerf Bars

Polished Stainless Steel                        Gloss Black Steel

• Constructed from tough, 14-gauge 304 stainless steel material or 14-gauge mild steel.
• Available in polished stainless steel or gloss black powder coated finishes.
• No drill, custom fit bracing tucks under the vehicle to create a sleek look.
• Molded plastic step pads ensure secure footing on the wide 3” step area.

3” Round Nerf Bars

Polished Stainless Steel                        Gloss Black Steel
• Durable powder coated steel or polished stainless or mild steel construction.

• Universal design fits most full & midsize pickups, when custom-fit applications are unavailable.

• Drilling into the vehicle body/frame is required for installation.

• Custom fit applications recommended if available for your vehicle.

### 3” ROUND LENGTHS

- 150025 - 48” (1 step pad)
- 150026 - 68” (2 step pads)

**Black Powder Coated Steel**
- 151-25 - 48” (1 step pad)
- 151-26 - 68” (2 step pads)
Invisible to Invaluable...
IN SECONDS!

• Innovative cargo rack system.
• Uprights hide away when not in use and pop up in seconds for use with ladders, canoes, and any longer items.
• More fuel efficient than typical ladder racks because they stow away when you don’t need them.
• Installs easily without drilling.
• Powder coated aluminum. 500 lb. capacity.

Invis-A-Rack

Invis-A-Rack Accessories

- Hole patterns in the tray allow for mounting of additional RAM accessories.
- No drill installation using existing hardware of the passenger side seat rails.

**Cargo Carrier Bag**
- Heavy duty canvas with straps for securing

**Hitch Chest Carrier**
- Turn any utility chest into hitch storage.
- See page 44 for universal chest options.
- Chest sold separately.
Dee Zee is known for building durable, functional and stylish products for today’s trucks. Now they have partnered with Kelderman Manufacturing, a well-known name in the off-road industry, to design and manufacture their first off-road bumper. The Dee Zee by Kelderman Bumpers are the ultimate line of defense for your off-road truck’s front end - like armor for your truck.

- Designed by
- One-piece construction from heavy duty steel for serious strength.
- Integrated steps on either side of the rear bumper provide easy bed access.
- Available in black only. Customise paint to match body after purchase.
- Subtle style offers a discreet, yet aggressive look.
- Bumpers are finished with Dee Zee’s exclusive 2-stage finishing process where they are e-coated and then powder-coated textured black featuring NRZ™ to inhibit corrosion.
- Winch plate with 1” thick shackle mounts available for Heavy Duty models (up to 16,500 lb. winch)
- Hassle-free installation - no drilling, welding, or cutting.
- Limited lifetime warranty on manufacturing, 1-year warranty on black powder coat finish.
- Proudly made in the U.S.A.
- Cutouts provided on each side for standardized LED lighting sizes plus a center opening for up to 20” light bar (lights not included).

Note: Not designed for use with proximity sensors or laser speed control sensors, etc.

*Part numbers with a gloss black powder coat finish denoted with a (B).*
**Part numbers with a textured black powder coat finish denoted with a (TB).**

- **SECURE.** Locks using a padlock. Designed for use with BOLT® locks (works with your truck key), and most brands with 7/8"-1" shackle height. Recessed placement makes it virtually impossible to cut. Padlock sold separately.

- **ONE MOVING PART.** No more buttons or handles binding up, rods bending, or springs breaking.

- **STRONG.** Keyhole latch design takes twice the force to pry open as our standard boxes.*

- **20% THICKER ALUMINUM.** Pick it up and feel the difference!

- **PROFESSIONAL FEATURES.** Includes a steel tool tray** with dividers (Crossover models only), an electrical access point, and a real rubber seal to protect your tools.

- **90º LID OPENING.**
  *Sliding latch design is patent pending.

**Utility Chests**

- Versatile storage that is perfect for your truck, garage, and home.

LIQUID TRANSFER TANKS

FEATURES

INTERNAL BAFFLES
Controls liquid movement

LOCKABLE BREATHING CAP
Reduces pressure and eliminates the vacuum when pumping diesel fuel out of the tank.

ALUMINUM OR STEEL
Protective finishes available; see below.

SIZE AND STYLE VARIETY
Multiple sizes and styles for most needs

RADIUS BENDS
Allows liquid to move freely around corners and eliminate pressure on 90° weld points

DRAIN PLUGS
Allows the tank to be drained by gravity

FINISHES

ALUMINUM
- Raw Brite-Tread
- Gloss Black-Tread
Add (B) to indicate Black Steel
Add (SB) to indicate White Steel

STEEL
- 14-GAUGE
- Raw Brite-Tread
- Gloss Black-Tread
Add (S) to indicate

FINISHES

Vented caps add 3.5” to overall height. Mounting tabs and drain plugs also alter dimensions slightly. For private use only. Not for commercial applications of interstate commerce. Always check local rules and regulations before altering your OEM fuel system. Not for use with gasoline.

Center weighted pumps are highly recommended. Off center pumps must be supported with brackets to ensure tank warranty.
#DZGASCAP
Vented cap/neck for liquid transfer tanks.

#DZGASCAP2
Replacement cap only. Does not include threaded neck.

#DZGASCAP3
Built-in lock, vented cap/neck for liquid transfer tanks.

#DZBKTCOMBO
NEW!
Make your own combo tank! Bracket attaches select utility chests to L-Shaped tanks.

Just a few years ago, we were thinking of how to ship a Dee Zee running board or tool box overseas. Now, Dee Zee is able to do it all with profession, understanding, and compliance to U.S. and International laws. In addition to our full size truck products, Dee Zee offers a line of products that is suitable for the global market. Don’t be surprised to see Dee Zee products on a Hilux or Ranger, or any other midsize truck. Whether you are in the Middle East, Africa, Europe, Australia or any other part of the globe, Dee Zee has accessories for your truck or SUV.

To become an authorized distributer of Dee Zee products in your country, please contact our exports department (exports@deezee.com).

**Available Product Lines**

**Wheel Well Boxes** pg. 52
& More!
Dee Zee is proud to honor the following individual as its 2016 class inductee into the Dee Zee Hall of Fame.

Chuck Fausch has been a fixture at Dee Zee for 38 years, starting his career here just one year after the company opened its doors. He was a familiar face and voice to all as Dee Zee’s Credit Manager and succeeded in keeping all of our accounts in line. We thank Chuck for his contributions and efforts in making Dee Zee a great company to work for. We wish him the best in his retirement and future endeavors.

For over 35 years Dee Zee has had the good fortune to employ hundreds of talented men and women. We’ve been represented by the top sales agencies and forged partnerships with the best warehouse distributors and retailers. The Dee Zee Hall of Fame recognizes those exceptional individuals who significantly contributed to Dee Zee’s growth and industry standing, either as a company “pioneer” or instrumental in shaping its future.

Dee Zee Hall of Fame recognizes those exceptional individuals who significantly contributed to Dee Zee’s growth and industry standing, either as a company “pioneer” or instrumental in shaping its future.

Dee Zee, Inc. guarantees the original purchaser a limited lifetime warranty against manufacturer defects in materials, workmanship, and design under normal use, excluding damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, improper repairs, spills, vandalism, product neglect, or acts of God.

This warranty applies only to the original purchaser of new product(s) and is limited to the replacement of genuine Dee Zee products. Modification of any kind to Dee Zee products voids all warranty coverage. Warranty does not include electrical components, installation, cost of removal, labor, transportation costs, loss of use, inconvenience, or consequential damages.

**WARRANTY COVERAGE – MATERIALS & WORKMANSHIP**

LIMITED LIFETIME WARRANTY:
- STAINLESS STEEL: Side Steps, Grill Guards, Bull Bars, Bed Caps, and Side Rails
- PLASTIC: Storage Boxes
- OTHER: Front and Rear Bumpers

THREE-YEAR WARRANTY:
- POWDER-COATED / E-COATED STEEL: Side Steps, Running Boards, Storage Boxes, Transfer Tanks, Cab Rails, Ladder Rails, Cargo Carriers, Mounting Brackets [NX, Rough Step, and Bumper Guards only]
- OTHER: Tailgate Assist, Bed Mat, Floor Mats, Auxiliary Fuel Connection Kits, and All Products Not Otherwise Listed Individually

**WARRANTY COVERAGE – FINISH PROTECTION**

The finish of all Dee Zee products is covered for one-year (1) from the date of purchase. Dee Zee products have a high quality finish that must be cared for and maintained like any other exposed finish on the vehicle. Protect the finish with non-abrasive automotive wax (e.g. Pure Carnauba) on a regular basis. Applying soaps, polishes, or waxes that contain an abrasive compound may scratch the finish and leave the exposed material susceptible to corrosion.

**WARRANTY COVERAGE – COMPONENT PARTS**

Operational items such as shocks, latches, hinges, and wear items including, but not limited to, mud flaps, step pads, and caps, hardware, seals, etc. have a one-year (1) warranty. Replacement component parts can be ordered via credit card (MasterCard or VISA) by calling 1-800-779-2102. All replacement parts are non-returnable and non-refundable.

**WARRANTY COVERAGE – ACCESSORIES**

- GPI® TRANSFER TANK PUMPS & ACCESSORIES:
  All Great Plains Industries (GPI) products, including transfer tank pumps and fuel meters are covered by GPI’s warranty policies. Dee Zee’s warranty terms do not apply to GPI products. To submit a warranty claim, please contact GPI at 1-800-835-0113 or visit www.gpi.net.

**WARRANTY SUBMISSION PROCEDURE**

All warranty claims will be initiated at the place of purchase. The original purchaser will be required to present the original sales receipt with purchase date shown and provide photographs of the defect.

In the event the originally purchased product style is no longer available, Dee Zee will warranty the defective part with a current equivalent. If a comparable product is no longer available, the product would be returned to the store of purchase for a refund or the applicable cost difference can be paid to choose an alternate style.

**DISCLAIMER**

All products are sold as appearance accessories and should not be relied upon as protection for the vehicle or its occupants in the event of an accident. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact and collision avoidance systems should not be modified in any way. Always consult the vehicle manufacturer if you have any questions regarding supplemental restraint systems and sensors.

Buyer must accommodate front and rear sensors during product installation and assumes all risk should these be tampered, removed, severed, or disconnected. This includes disabling visual, audio, or vibration alerts into the cab. Buyer assumes all risk and responsibility for wiring any supplemental auxiliary lights.

Buyer assumes all risk, liability, and cost for the installation and use of Dee Zee products. Dee Zee, Inc. assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
